**إعلان عن طلب مقترحات بحثية
لإدراجها ضمن بروتوكول التعاون العلمي والتكنولوجي بين الأكاديمية
و مؤسسة العلوم الطبيعية الصينية لعامي ٢٠١٦ / ٢٠١٥**

- فى إطار بروتوكول التعاون العلمى بين أكاديمية البحث العلمى والتكنولوجيا
والمؤسسة الوطنية الصينية للعلوم الطبيعية يسر الأكاديمية أن تعلن عن قبول
مقترحات بحثية للأعوام ٢٠١٦ / ٢٠١٧ ويمكن التقدم فى كافة المجالات البحثية.

- المدة المتاحة لتنفيذ المشروع ٢٤ شهر وتقوم الأكاديمية بتمويل كل مشروع بمبلغ
٣٠ ألف جنيه سنويا ، وعلى السادة الباحثين الراغبين فى التقدم بالمقترحات
الحصول على استمارات التقدم من الموقع الخاص بالأكاديمية: www.asrt.sci.eg

- آخر موعد للتقدم بالمقترحات البحثية ١٩ يونيو ٢٠١٥ ، على أن يتم تسليم أربع
نسخ من المقترحات مختومة ومعتمدة من الجهة البحثية على العنوان التالى: أكاديمية
البحث العلمى والتكنولوجيا - ١٠١ ش القصر العينى- القاهرة - الإدارة العامة
للعلاقات العلمية - الدور الرابع.

**ITALY-EGYPT
JOINT SCIENCE AND TECHNOLOGY COOPERATION
CALL FOR JOINT PROJECT PROPOSALS**

The framework of the Scientific and Technological Cooperation Agreement between the Government of the Republic of Italy and the Government of the Arab Republic of Egypt

FUNDING SCHEMES

1-“Exchange of Researchers” are joint research projects where only the expenses for researchers’ mobility are funded

2-Of Particular Relevance” are joint research projects where research activities are co-funded by one or both Parties. In this scheme a significant funding contribution by the applying proponent is mandatory.

AREAS OF COOPERATION

- Agriculture and Food Science and Technology
- Energy and Environment (including rational use of water resources and desalination)
- Health, Biotechnology and Medicine
- Nanosciences and Advanced Materials
- Technologies applied to Cultural Heritage
- Remote Sensing, Space Sciences and Geophysics
- Basic sciences.

Deadline for Application: July 15th, 2015

STDF Opened Calls

Basic & Applied Research Grants

-STDF Basic & Applied Research Grants (STDF-BARG)

Deadline : 21/6/2015

Capacity Building Grants

-Reintegration Grants (STDF-RG)

Deadline : 21/6/2015

-Research Support Grant (STDF - RSG)

Deadline : 21/6/2015

-STDF Short Term Fellowship (STDF-STF)

Deadline : 17/6/2015

-STDF Support of Scientific Events (STDF-SSE)

Deadline : 17/6/2015

-Young Researchers Grant (STDF-YRG)

Development & Innovation Grants

-Innovation Grants (STDF-IG)

Deadline : 21/6/2015

Technology Development Grants (STDF-TDG)

Deadline : 21/6/2015

Prizes

TWAS Prizes

Atta-ur-Rahman Prize in Chemistry

This annual award, sponsored by TWAS Fellow Atta-ur-Rahman, is given to a chemist under the age of 40 who lives and works in developing country, especially a scientifically lagging country. The prize is worth USD 4,000. Winners are invited to attend the TWAS General Meeting and present a paper on their work.

Deadline : 15 July 2015

The C.N.R. Rao Prize for Scientific Research

The prize, named after TWAS Founding Fellow and former president C.N.R. Rao, carries a cash award of USD4,000 generously provided by Professor Rao. It is designed to honour TWAS Fellows from the developing world, especially scientists from the world's scientifically lagging and Least Developed Countries (LDCs), who have made significant contributions to global science.

Deadline : 15 July 2015

Scholarships

New Zealand International Doctoral Research Scholarships (NZIDRS) for International Students, 2015-2016

Applications are invited for the 2015 round of the New Zealand International Doctoral Research Scholarships (NZIDRS).

The NZIDRS are open for international students (except from New Zealand, Australia and Fiji) to undertake PhD study at a New Zealand university. In order to receive the scholarship, applicants must meet the requirements for direct entry into a PhD programme at a New Zealand University. The NZIDRS provides full tuition fees plus a living stipend for up to 36 months.

Scholarships are awarded in any discipline.

Scholarships are available to undertake PhD study at any of New Zealand's eight Universities: AUT University, Lincoln University, Massey University, University of Auckland, University of Canterbury, University of Otago, University of Waikato, Victoria University of Wellington.

Deadline: The application deadline is 15 July 2015.

For detailed information:

Fellowship

2016-2017 CAS Sofia Advanced Academia Fellowship Programme for International Scholars, Bulgaria

The Centre for Advanced Study Sofia (CAS Sofia) is offering international fellowships to pursue individual research projects during in-residence periods of up to five months. These fellowships are awarded for fundamental research in the fields of the humanities and the social sciences. The selected Fellows will take part in the regular Fellow seminars and the other scientific events organized by the Centre (workshops, conferences, lectures, etc.) and are invited to present and discuss their project in lectures or seminars. The Fellows will also have free access to the CAS library and electronic resources/databases.

Fellowships are awarded in the fields of humanities and social sciences.

Deadline: The application deadline is October 1, 2015.

Norman E. Borlaug International Agricultural Science and Technology Fellowship Program, 2015

The U.S. Department of Agriculture invites applications for Borlaug Fellowship Program available for fellows from eligible developing and middle-income countries. Applicants are selected based on their academic and professional research interests and achievements, level of scientific competence, aptitude for scientific research, leadership potential, likelihood of bringing back new ideas to their home institution, and flexibility and aptitude for success in a cross-cultural environment. The U.S. mentor will later visit the fellow's home institution to continue collaboration. Fellows may also attend the annual World Food Prize Symposium, held each October in Des Moines, Iowa.

Fellowships are awarded for research and training focused on a wide array of agriculture-related topics, including agronomy, veterinary science, nutrition, food safety, sanitary and phytosanitary issues, natural resource management, agricultural biotechnology, global climate change, agricultural economics and agricultural policy. The 2015 targeted research areas will be given in a list.

Deadline: September 30th, 2015.

Georg Forster Research Fellowship (HERMES)

Top opportunities for researchers from developing countries

In providing Georg Forster Research Fellowships (HERMES) for postdoctoral researchers, the Alexander von Humboldt Foundation enables highly qualified scientists and scholars from abroad who are just embarking on their academic careers and who completed their doctorates less than four years ago to spend extended periods of research (6-12 months) in Germany.

Scientists and scholars from all disciplines from developing countries, emerging economies and transition states (excluding People's Republic of China and India; c.f. detailed list of countries) may apply. The research outline must deal with issues of major relevance to the future development of the candidate's country or region of origin.

Deadline: June 4, 2015

Conferences

International Conference for Nile Basin Countries

“Sustainable Development of Soil And Water Resources In Nile Basin Countries “

16-19 April, 2016

Venue: Tiba Rose Hotel, Cairo

Organized By

National Committee of Soil Science

Academy of Scientific Research and Technology Ministry of Scientific Research and Technology

CONFERENCE THEME

- 1- Soil resources in Nile basin countries and optimum management to overcome the encountered problems.
- 2-Cooperation between Nile basin countries to control desertification, erosion, degradation and soil pollution
- 3-Sustainable agricultural development of Nile basin countries
- 4-Hydrology of Nile River
- 5-Water policies in the Nile basin countries
- 6-Causes and sources of pollution of Nile River
- 7-The scientific cooperation between Nile basin countries to control water pollution
- 8 –Enhancement of scientific research cooperation between institutions in Nile basin countries
